TRADEMARK SECURITY AGREEMENT

This Trademark Security Agreement (this "**Agreement**"), dated as of January 29, 2009, is made by and between SARTELL VALVES, INC., a Delaware corporation having a business location at the address set forth below next to its signature (the "**Debtor**"), and WELLS FARGO BUSINESS CREDIT CANADA ULC, an Alberta unlimited liability company (the "**Secured Party**").

Recitals

7093896 Canada Inc., a federal corporation (the "**Canadian Subsidiary**") and the Secured Party are parties to an Credit and Security Agreement of even date herewith (as the same may be amended, restated, supplemented or otherwise modified from time to time, the "**Credit Agreement**"), pursuant to which, among other things, the Secured Party has agreed to extend credit and other financial accommodations to the Canadian Subsidiary.

As a condition to extending credit to or for the benefit of the Canadian Subsidiary under the Credit Agreement, the Secured Party has required the Debtor to, among other things, guaranty the payment and performance of all of the Canadian Subsidiary's Obligations (as defined below) under the Credit Agreement pursuant to the terms of a Guaranty of even date herewith, made by the Debtor in favor of the Secured Party (as amended, restated, supplemented or otherwise modified from time to time, the "**Guaranty**"). The Guaranty is secured by the Pledge and Security Agreement of even date herewith (as amended, restated, supplemented or otherwise modified from time to time, the "**Pledge and Security Agreement**"), made by the Debtor for the benefit of the Secured Party, pursuant to which the Debtor has granted the Secured Party a Security Interest (as defined in the Pledge and Security Agreement) in the Pledged Equity Interests (as defined in the Pledge and Security Agreement) and the Personal Property Collateral (as defined in the Pledge and Security Agreement).

As a further condition to extending credit to or for the account of the Canadian Subsidiary under the Credit Agreement, the Secured Party has required the Debtor to further secure the Obligations (as defined below) and the obligations under the Guaranty by executing and delivering this Agreement.

ACCORDINGLY, in consideration of the mutual covenants contained in the Credit Agreement, the Guaranty and herein, the parties hereby agree as follows:

1. Definitions. All terms defined in the Credit Agreement that are not otherwise defined herein shall have the meanings set forth in the Credit Agreement. In addition, the following terms have the meanings set forth below:

"**Obligations**" has the meaning set forth in the Credit Agreement.

"**Security Interest**" has the meaning given in Section 2.

"Trademarks" means all of the Debtor's right, title and interest in and to: (i) trademarks, common law marks, service marks, collective membership marks, registrations and applications for registration for each, and the respective goodwill associated with each, whether current or expired; (ii) licenses, fees or royalties with respect to each; (iii) the right to sue for past, present and future infringement, dilution and damages therefore; and (iv) licenses thereunder, all as presently existing or hereafter arising or acquired, including, without limitation, the marks listed on Exhibit A.

"U.S. Security Interest" has the meaning set forth in the Pledge and Security Agreement.

2. **Security Interest.** Subject to the U.S. Security Interest, the Debtor hereby irrevocably pledges, assigns to and grants the Secured Party a security interest (the **"Security Interest"**), with power of sale to the extent permitted by law, in the Trademarks to secure payment and performance of the Obligations and the Guaranty. As set forth in the Pledge and Security Agreement, the Security Interest is coupled with a security interest in substantially all of the Personal Property Collateral (as defined in the Pledge and Security Agreement) of the Debtor.

3. **Representations, Warranties and Agreements.** The Debtor represents, warrants and agrees as follows:

(a) *Existence; Authority.* The Debtor is a corporation duly organized, validly existing and in good standing under the laws of its state of incorporation, and this Agreement has been duly and validly authorized by all necessary corporate action on the part of the Debtor.

(b) *Trademarks.* Exhibit A accurately lists all Trademarks owned or controlled by the Debtor as of the date hereof and accurately reflects the existence and status of Trademarks and all applications and registrations pertaining thereto as of the date hereof; provided, however, that Exhibit A need not list common law marks (i.e., Trademarks for which there are no applications or registrations) which are not material to the Debtor's or any Affiliate's business(es). If after the date hereof the Debtor owns or controls any Trademarks not listed on Exhibit A (other than common law marks which are not material to the Debtor's or any Affiliate's business(es)), or if Exhibit A ceases to accurately reflect the existence and status of applications and registrations pertaining to the Trademarks, then the Debtor shall promptly provide written notice to the Secured Party with a replacement Exhibit A, which upon acceptance by the Secured Party shall become part of this Agreement.

(c) *Affiliates.* As of the date hereof, no Affiliate owns, controls or has a right to have assigned to it any items that would, if such item were owned by the Debtor, constitute Trademarks. If after the date hereof any Affiliate owns, controls or has a right to have assigned to it any such items, then the Debtor shall promptly either: (i) cause such Affiliate to assign all of its rights in such item(s) to the Debtor; or (ii) notify the Secured

Party of such item(s) and cause such Affiliate to execute and deliver to the Secured Party a trademark security agreement substantially in the form of this Agreement.

(d) *Title.* The Debtor has absolute title to each Trademark listed on Exhibit A, free and clear of all Liens except Permitted Liens. The Debtor (i) will have, at the time the Debtor acquires any rights in Trademarks hereafter arising, absolute title to each such Trademark free and clear of all Liens except Permitted Liens, and (ii) will keep all Trademarks free and clear of all Liens except Permitted Liens.

(e) *No Sale.* Except as permitted in the U.S. Credit Agreement, the Debtor will not assign, transfer, encumber or otherwise dispose of the Trademarks, or any interest therein, without the Secured Party's prior written consent.

(f) *Defense.* The Debtor will, at its own expense and using commercially reasonable efforts, protect and defend the Trademarks against all claims or demands of all Persons other than those holding Permitted Liens.

(g) *Maintenance.* The Debtor will at its own expense maintain the Trademarks to the extent reasonably advisable in its business including, but not limited to, filing all applications to obtain trademark registrations and all affidavits, maintenance fees, annuities, and renewals possible with respect to trademark registrations and applications therefor. The Debtor covenants that it will neither abandon nor fail to pay any maintenance fee or annuity due and payable on any Trademark, nor fail to file any required affidavit or renewal in support thereof, without first providing the Secured Party: (i) sufficient written notice, of at least thirty (30) days, to allow the Secured Party to timely pay any such maintenance fees or annuities which may become due on any Trademarks, or to file any affidavit or renewal with respect thereto, and (ii) a separate written power of attorney or other authorization to pay such maintenance fees or annuities, or to file such affidavit or renewal, should such be necessary or desirable.

(h) *Secured Party's Right to Take Action.* If the Debtor fails to perform or observe any of its covenants or agreements set forth in this Section 3, and if such failure continues for a period of ten (10) calendar days after the Secured Party gives the Debtor written notice thereof (or, in the case of the agreements contained in subsection (g), immediately upon the occurrence of such failure, without notice or lapse of time), or if the Debtor notifies the Secured Party that it intends to abandon a Trademark, the Secured Party may (but need not) perform or observe such covenant or agreement or take steps to prevent such intended abandonment on behalf and in the name, place and stead of the Debtor (or, at the Secured Party's option, in the Secured Party's own name) and may (but need not) take any and all other actions which the Secured Party may reasonably deem necessary to cure or correct such failure or prevent such intended abandonment.

(i) *Costs and Expenses.* Except to the extent that the effect of such payment would be to render any loan or forbearance of money usurious or otherwise illegal under any applicable law, the Debtor shall pay the Secured Party on demand the amount of all moneys expended and all costs and expenses (including reasonable attorneys' fees and

disbursements) incurred by the Secured Party in connection with or as a result of the Secured Party taking action under subsection (h) or exercising its rights under Section 6, together with interest thereon from the date expended or incurred by the Secured Party at the Default Rate.

(j) *Power of Attorney.* To facilitate the Secured Party's taking action under subsection (h) and exercising its rights under Section 6, the Debtor hereby irrevocably appoints (which appointment is coupled with an interest) the Secured Party, or its delegate, as the attorney-in-fact of the Debtor with the right (but not the duty) from time to time to create, prepare, complete, execute, deliver, endorse or file, in the name and on behalf of the Debtor, any and all instruments, documents, applications, financing statements and other agreements and writings required to be obtained, executed, delivered or endorsed by the Debtor under this Section 3, or necessary for the Secured Party, after an Event of Default, to enforce or use the Trademarks or to grant or issue any exclusive or non-exclusive license under the Trademarks to any third party, or to sell, assign, transfer, pledge, encumber or otherwise transfer title in or dispose of the Trademarks to any third party. The Debtor hereby ratifies all that the Secured Party or its delegate shall lawfully do or cause to be done by virtue hereof. The power of attorney granted herein shall terminate upon the termination of the Credit Agreement as provided therein and the indefeasible payment in full in cash and performance of all Obligations.

4. Debtor's Use of the Trademarks. The Debtor shall be permitted to control and manage the Trademarks, including the right to exclude others from making, using or selling items covered by the Trademarks and any licenses thereunder, in the same manner and with the same effect as if this Agreement had not been entered into, so long as no Event of Default occurs and remains uncured.

5. Events of Default. Each of the following occurrences shall constitute an event of default under this Agreement (herein called "**Event of Default**"): (a) an Event of Default, as defined in the Credit Agreement, shall occur; or (b) the Debtor shall fail promptly to observe or perform any covenant or agreement herein binding on it; (c) the Debtor shall fail to perform any of its obligations under the Guaranty; or (d) any of the representations or warranties contained in Section 3 shall prove to have been incorrect in any material respect when made.

6. Remedies. Upon the occurrence of an Event of Default and at any time thereafter, the Secured Party may, at its option, take any or all of the following actions:

(a) The Secured Party may exercise any or all remedies available under the Guaranty.

(b) The Secured Party may sell, assign, transfer, pledge, encumber or otherwise dispose of the Trademarks, subject to the U.S. Security Interest.

(c) The Secured Party may enforce the Trademarks and any licenses thereunder, and if the Secured Party shall commence any suit for such enforcement, the

Debtor shall, at the request of any Secured Party, do any and all lawful acts and execute any and all proper documents required by the Secured Party in aid of such enforcement.

7. Miscellaneous. This Agreement can be waived, modified, amended, terminated or discharged, and the Security Interest can be released, only explicitly in a writing signed by the Secured Party. A waiver signed by the Secured Party shall be effective only in the specific instance and for the specific purpose given. Mere delay or failure to act shall not preclude the exercise or enforcement of any of the Secured Party's rights or remedies. All rights and remedies of the Secured Party shall be cumulative and may be exercised singularly or concurrently, at the Secured Party's option, and the exercise or enforcement of any one such right or remedy shall neither be a condition to nor bar the exercise or enforcement of any other. All notices to be given to Debtor under this Agreement shall be given in the manner and with the effect provided in the Credit Agreement. The Secured Party shall not be obligated to preserve any rights the Debtor may have against prior parties, to realize on the Trademarks at all or in any particular manner or order, or to apply any cash proceeds of the Trademarks in any particular order of application. This Agreement shall be binding upon and inure to the benefit of the Debtor and the Secured Party and their respective participants, successors and assigns and shall take effect when signed by the Debtor and delivered to the Secured Party, and the Debtor waives notice of the Secured Party's acceptance hereof. The Secured Party may execute this Agreement if appropriate for the purpose of filing, but the failure of the Secured Party to execute this Agreement shall not affect or impair the validity or effectiveness of this Agreement. A carbon, photographic or other reproduction of this Agreement or of any financing statement signed by the Debtor shall have the same force and effect as the original for all purposes of a financing statement. This Agreement shall be governed by the internal law of the State of Minnesota without regard to conflicts of law provisions. If any provision or application of this Agreement is held unlawful or unenforceable in any respect, such illegality or unenforceability shall not affect other provisions or applications which can be given effect and this Agreement shall be construed as if the unlawful or unenforceable provision or application had never been contained herein or prescribed hereby. All representations and warranties contained in this Agreement shall survive the execution, delivery and performance of this Agreement and the creation and payment of the Obligations. **THE PARTIES WAIVE ANY RIGHT TO TRIAL BY JURY IN ANY ACTION OR PROCEEDING BASED ON OR PERTAINING TO THIS AGREEMENT.**
